Todd Conaway, Fire Chief

## **Dangerous Dog Complaints**

The Village Board was recently informed of two separate incidents involving dangerous dogs in the Village attacking and killing domestic animals. In addition to these incidents, there have been reports of missing pets also.

The Village is working with Yates County Authorities to ensure that these dogs are dealt with and that the residents of the Village and their pets are safe.

Please make sure that your dogs are behaving and not endangering other people or animals.

#### **Summer Yard Cleaning!!!**

Have scrap metal or old cars in your yard? Rushville zoning law allows for only one unregistered vehicle per property. The good news is: there are some great ways to get rid of these. Scrapyards will give you money for your scrap metal or old cars, and it will make lawn mowing just that much easier!!

Please try to keep your grass under 10". This will keep your neighbors happy and keep the Village from billing

you for maintaining it. It also helps with weed control and sometimes bug control as they can't hide and breed in the grass. Thank you! Enjoy your lawns this summer!

<del>^</del>\*

## Don't miss this great Community Event!!!

# Spring & Summer Fire Safety Jips Brought to you by the Rushville Hose Company

- ⇒ Let your tractor/lawn mower cool down outside before parking inside your shed or garage.
- ⇒ Clean and clear your tractor/mower of all accumulated lawn debris prior to storage, as dried grass near heated areas may cause a fire.
- ⇒ Store gas and fuel containers in well-ventilated outdoor storage areas.
- ⇒ Have your tractor or mower serviced by a professional maintenance technician.
- ⇒ Install and test smoke alarms in your garage and storage areas.
- ⇒ Keep fire extinguishers near and/or mounted on garage walls, kitchen areas & outdoor arills.
- ⇒ Test your home smoke alarms monthly.

# August 3, 2013 Chicken BBQ

#### **Donations**

 Donations of books, DVD's, VHS are always v the Library and very much appreciated.

Have a great summer and we hope to see you at the Reading Center!!!

#### Historic Fire Gong

The gong that has been preserved and mounted behind the firehouse was dedicated this Memorial Day. This fire gong hung in the arch on top of the Village Hall in 1909 and was sounded by pulling a rope which engaged a hammer to strike the gong. This summoned Rushville firemen to the call of duty.

On December 29, 1925 the fire department donated \$200 towards researching a siren replacement. The gong remained in service until 1933 when it was replaced by the siren. In 2006 it was removed but recently reinstalled at the firehouse, on the Warehouse St. side, where it proudly symbolizes the numerous generations of dedicated Rushville Fire Department staff and volunteers.

Things have changed, and modern sirens, electronic pagers, cell phones and sophisticated alarm systems help emergencies be communicated almost instantly to members of the Fire Department. The Rushville Fire Department is thankful for all the improvements which make day to day tasks much more efficient and safer but wants to always remember the first hard-working resourceful pioneers who used what they had and did their best to make Rushville a safer place.

The fire department would like to thank the Rushville Community and Village Board for all the support they receive for their efforts as well.

# \*\*\* Special Historical Presentation \*\*\*

Mr. Richard Palmer, railroad historian and author of 16 railroad books, will be presenting the history of the Lehigh Valley Railroad connecting Stanley and Naples at the Rushville Methodist Church at 2:00pm on Sunday. September 15.

Sponsored by

**Ontario/Yates Small Historical Societies** 

Free to the public!

The Rushville Hose Company would like to recognize Valerie Bay for her excellent job on the flower garden at the base of the gong monument. She is a home grown horticulturist hobbyist who volunteered her time, labor and expertise to design and plant the fire department flowers.

In addition to the gong monument garden, you will notice her handiwork around the firehouse and flagpole. Valerie also helps in the ongoing maintenance of these beautiful gardens.

Thank you Valerie!
